Household Inventory List

Instructions: Use this form to make a record of your valuables. Once the information is filled in, make a copy of this form and keep it in a safe place (such as with important papers). If possible, keep this inventory in a bank safety deposit box.
Engrave valuables with your Washington State Driver's License number or state Identification card number.
Be sure to engrave "/WADL" or "/WAID" following the number. ***Never use a Social Security number.***
For those items you cannot engrave, such as jewelry, artwork or small electronics, take a picture or video of the item. Still record the item information below. If the item does not have a model or serial number (such as jewelry or artwork), write N/A in the box.
