ASSOCIATED RECREATION COUNCIL

For 40 years, the Associated Recreation Council (ARC) has provided recreation, lifelong learning programs and community-driven leadership in partnership with Seattle Parks and Recreation. With a goal of providing equitable access to citywide programs for Seattle residents of all ages, ARC works through 37 volunteer Advisory Councils to fulfill its mission of "building community through citizen engagement and participation in recreation and lifelong learning programs." ARC is a 501c3 nonprofit organization. For more information, go to www.arcseattle.org.

YOUR ADVISORY COUNCIL

Most classes, workshops, sports and swim programs, special events and facility rentals are funded through the local advisory council, rather than from City of Seattle budgets. Revenues generated through program fees offset program costs to make these activities self-sustaining. We also rely on participation, donations, and contributions to maintain and upgrade equipment. Advisory council members create scholarship opportunities through grant writing and other fundraising activities.

JOIN US!

Citizen direction and participation is essential to our success. Monthly meetings are held to talk about programs, policies, and financial issues. Our advisory councils always are looking for new members. If you would like to get involved, please contact the facility staff for further information.

Dear Neighbor,

Just because school is out doesn't mean it's time to stop learning and growing! Seattle Parks and Recreation offers hundreds of summer camps throughout the season to keep your kids and teens active, engaged and most importantly, having fun!

Camps range in theme from arts and crafts, to nature and outdoors, to performing arts, to sports and fitness to STEM (Science, Technology, Engineering and Math) and are located throughout the city.

Summer is always an exciting time for Seattle Parks and Recreation, but this year we have even more to look forward to. 2016 is the first year the department will start collecting property tax through the Seattle Park District. Seattle Parks and Recreation will collect \$47 million annually to support programs and initiatives.

For 2016, some Park District highlights include:

- » **Programs for People:** More staffing and services at community centers, teen programs, lifelong recreation programs and special populations programs that began in 2015, including additional summer camp opportunities.
- » **Fix it First:** \$25 million to reduce our major maintenance backlog and restore our urban forests.
- » **Maintaining Parks and Facilities:** Increased park maintenance and preventative maintenance.
- » **Building for the Future:** Planning and development for five of the 14 park sites acquired and "land-banked" with 2008 Levy funds.

I look forward to all this season has in store and hearing about your camp adventures. Follow me at @SPRSupt on Twitter to share your photos and watch my summer unfold!

Sincerely,

Jesús Aguirre, *Superintendent*

SUMMER CAMP INFORMATION!

DEPOSIT POLICY: At the time of registration, a \$15 non-refundable deposit per camp will be collected and applied to the balance. The balance of the fee is due TWO weeks prior to the start of the camp.

TRANSFER POLICY: Families may transfer their child from one camp to another at the same facility, without forfeiting the \$15 deposit, if space exists. Requests must be received SEVEN (7) DAYS prior to the start of the camps.

We look forward to serving you for another great summer!

DISCLAIMER NOTE: Although we strive to be accurate, this brochure is published for information purposes only. Changes may be necessary to the content depending on levels of participation or other factors, and fees may change after City Council action on the City budget each year. Please visit www.seattle.gov/parks for updated information.

REGISTER FEBRUARY 2, 2016!

Thank you for choosing Seattle Parks and Recreation. We are pleased to offer several options to register for programs and activities. Please see the options below.

BEST CHOICE

Stop by your local recreation center to register for programs and meet the staff. Take a peek at the recreation center and the program space. Staff welcomes face-to-face interaction! *Please note hours of operation, as they vary across community centers.*

FIRST CHOICE

Online registration using the SPARC system by going to seattle.gov/parks and clicking on SPARC. Please note that you will need to set up an account prior to having access to the online SPARC system. This may take up to a week to process. We do our best to set up accounts for registration within 48 hours.

SECOND CHOICE

Call your local recreation center during our hours of operation at the phone number listed at: seattle.gov/parks/centers.asp. All staff can assist you with registration during their operating hours listed on their home page linked from the above web address.

THIRD CHOICE

Register by phone with our Business Service Center at 206-684-5177. The Business Service Center is open Monday through Friday between 8:30 am and 6 pm. Questions may be emailed to ParksBSC@seattle.gov.

FOURTH CHOICE

Mail in or drop off registration requests with payments and/or required forms to your local community center. For the address of your local community center, please visit: seattle.gov/parks/centers.asp.

We will divide kids into groups based on age/ability level, and have a great time working on age-appropriate fundamentals that will incorporate fun competitions, games, races and scrimmages. Our camps are designed for kids ranging from the very beginner to the seasoned athlete. All kids can expect to improve their skill level! Please bring a sack lunch, snacks, water bottle, sunscreen and dress appropriately for the weather (layers). **Space is limited in these camps so register early. E-13 and signed concussion form are due at the time of registration and can either be faxed to the Youth Athletics Office at 206-615-0073, or emailed to Max.Prophet@seattle.gov.**

DISCOVERY PARK

Discovery Park is 534 acres of breathtaking majesty. Situated on Magnolia Bluff overlooking Puget Sound, Discovery Park offers spectacular views of both the Cascade and the Olympic Mountain ranges. The secluded site includes two miles of protected tidal beaches as well as open meadow lands, dramatic sea cliffs, forest groves, active sand dunes, thickets and streams.

Don't leave your child inside this summer! Nature Day Camps at Discovery focus on being outside, exploring this amazing outdoor classroom. Participants adventure into four different habitats - freshwater, saltwater, forest, and meadow - through hands-on, experiential activities, movement, songs, crafts, and games. And everyone always makes a new friend! Week-long camps offered for ages 4-12 starting in June and running through August. Please see the grid below and/or visit the Discovery Park Nature Day Camp website at www.seattle.gov/parks/environment/daycamp.htm for further details about the different camp themes offered. Camp fee includes a camp T-shirt and 2016 embroidered patch.

JUNIOR NATURALIST PROGRAM

Are you a teen between the ages of 13-16 years old looking to share in all of the fun and exploring that goes on during the summer at Nature Day Camp? We are looking for teen volunteers to assist our Environmental Educator staff as they lead daycampers through week-long adventures hiking, learning, and having fun at Discovery Park! Applications are due in March 2016. Please visit www.seattle.gov/parks/parkspaces/discoverypark/naturalists.htm for more information. Teens can earn community service hours for the weeks that they volunteer.

AGES 6-12

The wonders of chemistry are revealed as your junior chemist creates surprising concoctions, breaks molecules with ease and shakes up a flask full of fun. Kids will use the tools, safety procedures and laboratory techniques of real chemists as they investigate solids, liquids, and gases at the atomic level. They'll craft chemical combinations to create super-sticky-stuff, analyze the properties of light and discover why things glow-in-the-dark. Exploring the elements has never been so much fun!

MAD SCIENCE: GROSS-OUT CAMP

AGES 6-12

Join Mad Science as we examine our amazing, gross, and sometimes disgusting bodily functions! We're talking burping, boogers, saliva, and germs... And the contributions our cells, tissue, and organs provide to create these lovely bodily byproducts. We'll produce "exploding toothpaste", create a squishy brain we can play with, and harvest a cup full of mucus to take home and share. Miss manners might not approve but your child definitely will!

MAD SCIENCE: FANTASTIC FORCES

AGES 6-12

Discover the marvels of invisible forces as we use air pressure to blow up a marshmallow and then crush a can. Be awed by the wonders of physics as you race rubber band powered cars, build a rocket, and make your very own vortex generator. Magnetism... Gravity... Inertia... Not enough? Then try a hair-raising experience with the Mad Science Van der Graaff generator!

MAD SCIENCE: SUPER SCIENCE SAMPLER

AGES 6-12

Science comes in all shapes and sizes and we'll examine a few during this hands-on expedition. Become an engineer and build bridges, domes, cubes, and pyramids. Assemble and control pulleys, levers, catapults, and simple machines. Use chemistry to make your own sidewalk chalk and crystal gardens. Become an ornithologist and discover unique characteristics of birds! Please bring a water bottle to class.

MAD SCIENCE: EUREKA! THE INVENTION CAMP

AGES 6-12

Children will overcome a series of challenges using basic materials, simple machines, tips from famous inventors, and the most important of all- their MIND. With a little bit of ingenuity, children will create catapults and forts, construct working light sticks to take home, and assemble a set of circuits with batteries and light bulbs. While Thomas Edison said, "invention is 10% inspiration and 90% perspiration," this camp is 100% FUN!

SHORT STORIES

AGES 6-12

Are you the next J.K. Rowling? Would you like to be a published author? After a course with us, you can be. We will show you how to write a story filled with interesting characters, a thrilling plot, vivid description, and exciting dialogue. Then, you will be given the option* to include it within an anthology to be published and available on Amazon. What a cool way to stand out on applications and boast to friends! *Additional \$35 fee is required for publication option (includes a copy of book). Instructors are Young Writers' Academy Staff.

AGES 6-12

Mythology is a world onto itself, filled with gods and heroes, mortals, monsters, and supernatural occurrences. You will explore this fascinating world through a literary review of some of the most captivating myths ever told, games, and art inspired by various traditions. Next, you will place yourself in the center of it all as the protagonist of your very own myth, laden with adventure and intrigue. Students will leave with a bound copy of their tale. Instructors are Young Writers' Academy Staff.

STEM PATHS: ROBOCRAFT

AGES 8-11

Does your child love the idea programming basic robots and building virtual structures? In this innovation club, youth split into teams to build their introduction into robotics engineering and learn a programming of basic Arduino robotic platform. Then move to learning to express their creative 3D building skills in Minecraft sandbox challenges. Youth learn mechanical design, construction, programming, and teamwork skills. No programming experience necessary, just a great imagination.

STEM PATHS: YOUTH DRONE ACADEMY

AGES 10-13

Learn about the science of flight and aviation through the use of unmanned aerial robots or drones. In this innovation club, participants learn about what is going on in the drone industry and learn about the flight and operation of drones in a fun and exciting workshop. Safety rules and gear will be provided prior to flight. Note: sites must provide appropriate facility access and classroom space.

MAD SCIENCE: CRAZY CHEMWORKS

AGES 6-12

The wonders of chemistry are revealed as your junior chemist creates surprising concoctions, breaks molecules with ease and shakes up a flask full of fun. Kids will use the tools, safety procedures and laboratory techniques of real chemists as they investigate solids, liquids, and gases at the atomic level. They'll craft chemical combinations to create super-sticky-stuff, analyze the properties of light, and discover why things glow-in-the-dark. Exploring the elements has never been so much fun!

MAD SCIENCE: SUPER SCIENCE SAMPLER

AGES 6-12

Science comes in all shapes and sizes and we'll examine a few during this hands-on expedition. Become an engineer and build bridges, domes, cubes, and pyramids. Assemble and control pulleys, levers, catapults, and simple machines. Use chemistry to make your own sidewalk chalk and crystal gardens. Become an ornithologist and discover unique characteristics of birds!

MAD SCIENCE: GROSS OUT CAMP

AGES 6-12

Join Mad Science as we examine our amazing, gross, and sometimes disgusting bodily functions! We're talking burping, boogers, saliva, and germs... And the contributions our cells, tissue, and organs provide to create these lovely bodily byproducts. We'll produce "exploding toothpaste", create a squishy brain we can play with, and harvest a cup full of mucus to take home and share. Miss manners might not approve but your child definitely will!

NEW

NEW

ROBOTICS USING LEGO® EV3

AGES 9-14

Build and program robots using the new LEGO® Mindstorms EV3 system! Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups, program and build your robot, and rise to the challenge. Control the robot to avoid obstacles, pick up and carry objects, and play sounds. Projects are structured so that students work in an open-ended, investigative environment while having fun.

AGES 6-12

Join us for a delightful and delicious camp that's filled with fun! Your child will enjoy the teamwork in every activity as we harvest, prepare, and serve a fabulous lunch using fresh, seasonal vegetables, herbs, and fruits. On day 1, we'll create menus, harvest big baskets of fresh produce from our organic P-Patch, and plant crops for the next camp. On day 2, we'll create our chef's hats, pick fresh berries in the park, make sauces and dressings, and begin to decorate our "restaurant" with fresh flower bouquets and more. On day 3, we'll complete all the dishes in the 4-course lunch, including a fresh-baked dessert, and have a feast! Each child also can invite 2 guests for the healthy and nutritious meal, who they will wait on in royal fashion, and parents report having almost as much fun as their kids in this camp! Camp fee includes an official Nature Rangers bandana and plenty of "Snack Walks" in our organic P-Patch. Bring a nutritious lunch, snack, and water bottle on days 1 and 2 only.

REGISTER ONLINE!

READY – Please visit our web site at www.seattle.gov/parks and look for SPARC to see what classes and programs are available for registration.

SET – Contact us to obtain your barcode and PIN number. Take time to make sure all of your questions are answered.

GO – In order to make your online registration go as smoothly as possible, please set up an account 24 hours before the registration date at <http://www.seattle.gov/parks/> and click on the SPARC section.

Payment

You can pay for classes and other activities in person or by phone during regular facility hours. You can also register online at www.seattle.gov/parks click on the SPARC logo. Rentals may be paid by telephone with a credit card. We accept Visa, MasterCard, and American Express. Please make checks and money orders out to City of Seattle. Please note: Payment is due when you register, unless we have indicated otherwise. If your check is returned for insufficient funds, your registration will be cancelled until you pay the amount due plus a \$20 fee. Registration is not complete and a spot in the class cannot be held without payment in full.

Fees and charges

ARC—Our Advisory Council provides the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees are used to offset the cost of providing the programs. Program charges include a user fee paid to Seattle Parks and Recreation to defray operating costs. Washington State sales tax is also included where applicable.

City—Fees and charges are necessary to provide financial support to Seattle Parks and Recreation for the operating costs of programs, facilities and grounds. The revenue generated by these fees constitutes only a portion of funds required for operating and maintaining the Parks system. All fees collected from activities and concessions are used exclusively for the Parks system as these funds are deposited in the Parks and Recreation Fund, not the City General Fund. Swimming pool fees and charges are set by City Council.

Confirmations

Sorry, we cannot confirm class registration by mail or phone, but we will notify you by phone if your class is postponed or cancelled.

Refund/Transfer

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- A full refund will be issued for any program, activity, or reservation that is cancelled for any reason by the Department or the Associated Recreation Council. *Note: School-age care programs are subject to the following exceptions from the published refund policy:*
1) No refund/credit is given if program is canceled due to emergency or weather for the first two cancelled days, 2) Cancellation of daily sessions will not be rescheduled. Credits will be determined by the Parks OST Manager on a case by case basis.

- Any person who registers for a PROGRAM and who requests a refund before the second class session may receive a prorated refund minus a service charge.

- Any person who registers for an ACTIVITY and who requests a refund 14 days or more before its start, may receive a refund minus a service charge.

- A transfer from one class to another is permitted without cost if done on the same business day as the original registration, and is subject to space availability.

- No fee is charged for a transfer initiated by Seattle Parks and Recreation staff when done to correct an error in registration or allow for a better recreation opportunity.

For full details of the Department's Refund Policy, please see Policy Number 060-P 7.16 which can be found here:

www.seattle.gov/parks/reservations/feesandcharges/refunds.htm.

Pool Personal Lesson Refund/Transfer Policy

A participant may be issued a refund if he/she drops a lesson, and notifies the program coordinator, 14 days prior to the scheduled date. A service charge of \$5 or 10% of the fee, whichever is greater, will be retained by the facility. If a participant drops a personal lesson with less than 14 days notice, no refund will be given. Transfers will be accepted for personal lessons with at least 48 hours notice. Any open dates or times may be considered. No transfers will be accepted with less than 48 hours' notice.

Group Lesson Refund Policy

When the withdraw occurs before the second lesson, the session will be pro-rated and a withdraw fee will be assessed. The withdraw fee will be 10% or \$5, whichever is greater

Class cancellations

To cover the cost of providing a program, we need a specific number of participants. If too few people sign up for a class, we must cancel it. We'll notify you (at the latest) one or two days before the class start date. When possible, we will postpone a cancelled class for a week to allow for more enrollments; if the class minimum is not met by then, we will have to cancel it.

Waiting lists

We will create waiting lists for all filled classes. Please be sure to sign up if you are interested in a class that is full, because class openings often become available. If demand is high, we will try to form another class. Please contact us for space availability.

Scholarships

Seattle Parks and Recreation wants to ensure that our activities, classes and sports are available to everyone, regardless of their ability to pay. To apply for a scholarship, please talk to a member of our staff.

Anti-discrimination

As a matter of policy, law, and commitment, Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental, or physical handicap.

Accommodation for people with disabilities

We will make reasonable accommodation, upon request, for people with disabilities. For sign language interpretation, auxiliary aids or other accommodations, please call (206) 615-0140 or TDD (206) 684-4950. Please allow 10 working days' advance notice. If a class or activity is scheduled in an area that is not accessible for wheelchairs, we will make every effort to help you find a similar program in an accessible location.

Special Populations

For information on programs for youth/adults with disabilities, please call the Special Populations Office at (206) 684-4950, or visit the web at: www.cityofseattle.net/parks/SpecialPops/index.htm.

Interested in teaching?

We're always looking for top quality instructors to offer unique courses. We choose class offerings based on participants' interest and space availability. If you have a special talent, skill, or knowledge you would like to share with others in a class or workshop format, please contact your local community center.
