PUBLIC MEETINGS

Seattle Parks and Recreation invites you and your family to help plan Seattle Parks and Recreation's future. Together, we are starting an important public conversation to ensure we have a great park system for generations to come. Our goal is to offer access and opportunity to all, in a sustainable way.

To honor Parks' 130-year legacy and to plan for our future, we need to hear from you. Please, come and share your vision of what is important to you for Seattle Parks and Recreation at one of the public meetings.

While some of the meetings will focus on certain Parks functions, comments on any Parks issue or function are welcome at all of the meetings.

For interpretation services or special accommodations at the meeting, please email parkslegacy@seattle.gov or call Susanne Rockwell 206-733-9702. For translation of this flier, please visit: <http://www.seattle.gov/parks/legacy/>.

If you can't make it to a meeting, your thoughts and comments about the plan are welcome at parkslegacy@seattle.gov

Please visit <http://www.seattle.gov/parks/legacy/> for more information.
