

# COMMUTE TRIP REDUCTION BICYCLE EDUCATION WORKSHOPS

Seattle's Commute Trip Reduction (CTR) program connects commuters to resources and services that help them travel by commute modes other than driving alone. The Seattle Department of Transportation (SDOT) is partnering with Cascade Bicycle Club to provide a series of FREE bicycle education workshops for commuters. Whether you are a seasoned cyclist or brand new to bicycle commuting, we have something for you. Join us for a workshop in your neighborhood.
